

Avicanna General Meeting

Annual General Meeting will be on July 10, 2024

TORONTO, June 19, 2024 -- Avicanna Inc. (“**Avicanna**” or the “**Company**”) (TSX: AVCN) (OTCQX: AVCNF) (FSE: ONN) a biopharmaceutical company focused on the development, manufacturing, and commercialization of plant-derived cannabinoid-based products is pleased to announce that as previously disclosed its annual general meeting will be held virtually on Wednesday, July 10, 2024 at 10:30 AM (Toronto Time) (“**Meeting**”).

The Toronto Stock exchange has granted the Company an extension to hold its annual general meeting this year on or before July 10, 2024. The Company did not hold its Annual General Meeting within six-months of its year end due, in part, to continuing operationalization and integration of a significant new business unit together with a significant increase in employees and contractors to our Canadian workforce to support the new business unit together with the retirement of our previously Chairman of the Board and appointment of a new director as a replacement, along with our regular reporting obligations and business operations. Materials for the meeting (the “**Meeting Materials**”) will be available under the Company’s profile on SEDAR at www.sedarplus.ca and on its website at <https://ir.avicanna.com>, on or about June 10, 2024, with the Proxy Cut-Off July 8, 2024 at 10:30 AM (Toronto Time), and with the Meeting Date and Time July 10, 2024 at 10:30 AM (Toronto Time).

About Avicanna Inc.

Avicanna is a commercial-stage international biopharmaceutical company focused on the advancement and commercialization of cannabinoid-based products and formulations for the global medical and pharmaceutical market segments. Avicanna has an established scientific platform including R&D and clinical development leading to the commercialization of more than thirty proprietary, evidence-based finished products and supporting four commercial stage business pillars.

- **Medical Cannabis formulary (RHO Phyto™):** The formulary offers a diverse range of proprietary products including oral, sublingual, topical, and transdermal deliveries with varying ratios of cannabinoids, supported by ongoing patient, and medical community education. RHO Phyto is an established leading medical brand in Canada currently available nationwide to patients across several medical channels and continues to expand into new international markets.
- **Medical cannabis care platform (MyMedi.ca):** MyMedi.ca is a medical cannabis care platform formed with the aim to better serve medical cannabis patients’ needs and enhance the patient journey. MyMedi.ca is operated by Northern Green Canada Inc. and features a diverse portfolio of products and bilingual pharmacist-led patient support programs. MyMedi.ca also provides specialty services to distinct patient groups such as veterans and collaborates with public and private payers for adjudication and reimbursement. MyMedi.ca provides educational resources to the medical community to facilitate the incorporation of medical cannabis into health care regimens.
- **Pharmaceutical products (Trunerox™) and pipeline:** Leveraging Avicanna’s scientific platform, vertical integration, and real-world evidence, Avicanna has developed a pipeline of proprietary, indication-specific pharmaceutical products that are in various stages of clinical development and commercialization. These cannabinoid-based drug candidates aim to address unmet medical needs in the areas of dermatology, chronic pain, and various neurological disorders. Avicanna’s first indication-specific pharmaceutical drug, Trunerox™, was approved Q1 2024 by the Health Authority of Colombia INVIMA as an adjuvant treatment for seizures associated with Lennox-Gastaut Syndrome and Dravet Syndrome in Colombia. Trunerox™ has not been approved as a drug in Canada by Health Canada.
- **Active pharmaceutical ingredients (Aureus Santa Marta™):** Active pharmaceutical ingredients (“API”) supplied by the Company’s majority subsidiary Santa Marta Golden Hemp SAS (“SMGH”) is a commercial-stage business dedicated to providing a various forms high-quality CBD, THC and CBG to the Company’s international partners for use in the development and production of food, cosmetics, medical, and pharmaceutical products. The business unit also forms part of the Company’s supply chain and is a source of reliable input products for its consumer retail, medical cannabis, and pharmaceutical products for globally.
