RUPERT RESOURCES ANNOUNCES BOARD CHANGES

June 15, 2020 - Rupert Resources Ltd ("Rupert" or "the Corporation") announces changes to its Board to take place with immediate effect. Michael Ouellette, Chief Executive Officer of a US based family office and George Ogilvie: P.Eng., President and Chief Executive Officer of Rubicon Minerals Corporation will join the Board as Non-Executive Directors. Robert Suttie, a Non-Executive Director since November 2017 is to retire from the Board.

Chairman of Rupert Resources, Gunnar Nilsson said "*Michael and George bring extensive financial, technical and operational experience to Rupert as we look to build on the new discoveries at Area 1 and advance the Pahtavaara Project. I would also take this opportunity to thank Rob Suttie for his valued contribution to the Company since 2017.*"

Michael Ouellette currently serves as Chief Executive Officer for a US-based family office and has over two decades of executive leadership in the family office industry. Throughout most of his career, he has worked with closely-held companies, private and public investments, and on board governance including several appointments as a Director or an advisor for private and non-profit organizations. He has a degree in Business Management from the University of Maine and also holds a Masters Degree in Public Policy with a specialization in Financial Management from the Muskie School of Public Policy at USM. Mr. Ouellette will chair the Audit Committee of the Corporation.

George Ogilvie is a mining industry executive with more than 30 years of management, operating, and technical experience in the mining industry. Previously, Mr. Ogilvie was the CEO of Kirkland Lake Gold Inc., where he and his team improved operations at the Macassa Mine and elevated the company's profile with the acquisition of St. Andrew Goldfields. Prior to this, Mr. Ogilvie was the CEO of Rambler Metals and Mining PLC ("Rambler"), where he and his team guided the evolution of the company from grassroots exploration to a profitable junior producer. Mr. Ogilvie began his mining career in 1989 with AngloGold in South Africa working in the ultra-deep, high-grade, gold mines in the Witwatersand Basin. In 1997, he was the Mine Superintendent at the Ruttan Mine in Northern Manitoba for HudBay Minerals Inc. (formerly Hudson Bay Mining and Smelting Co. Ltd.). In 2004, Mr. Ogilvie joined Dynatec Corporation as their Area Manager for the Sudbury Basin and later worked at the McCreedy West Mine as Mine Manager. In 2007, he joined Rambler as Chief Operating Officer, later becoming President and CEO. Mr. Ogilvie received his B.Sc. (Hons.) in Mining and Petroleum Engineering from Strathclyde University in Glasgow, Scotland, holds his Mine Managers Certificate (South Africa) and is a registered Professional Engineer in Ontario, Canada

Cautionary Note Regarding Forward Looking Statements

This press release contains statements which, other than statements of historical fact constitute "forward-looking statements" within the meaning of applicable securities laws, including statements with respect to: results of exploration activities, mineral resources. The words "may", "would", "could", "will", "intend", "plan", "anticipate", "believe", "estimate", "expect" and similar expressions, as they relate to the Company, are intended to identify such forward-looking statements. Investors are cautioned that forward-looking statements are based on the opinions, assumptions and estimates of management considered reasonable at the date the statements are made, and are inherently subject to a variety of risks and uncertainties and other known and unknown factors that could cause actual events or results to differ materially from those projected in the forward-looking statements. These factors include the general risks of the mining industry, as well as those risk factors discussed or referred to in the Company's annual Management's Discussion and Analysis for the year ended February 29, 2020 available at www.sedar.com. Should one or more of these risks or uncertainties materialize, or should assumptions underlying the forward-looking statements prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such

statements. The Company does not intend, and does not assume any obligation, to update these forward-looking statements except as otherwise required by applicable law.
