- (c) any failure by such Shareholder to transfer good and valid title to its Purchased Shares to the Purchaser, free and clear of all Encumbrances, other than any restrictions on transfer described in this Agreement.

6.2 Indemnification by the Company and the Shareholders

Subject to this Article 6 and Section 4.4, the Company and the Shareholders will jointly and severally indemnify and save harmless the Purchaser from any and all Losses suffered or incurred by the Purchaser as a result of or arising directly or indirectly out of or in connection with:

- (a) any inaccuracy of or any breach by the Company or the Shareholders of any representation or warranty regarding the Company contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement, including the representations and warranties of the Company and the Shareholders contained in Section 4.2, except that the Company and the Shareholders will not be required to indemnify and save harmless the Purchaser in respect of any inaccuracy or breach of any such representation or warranty unless the Purchaser will have provided notice to the Company in accordance with Section 6.5 on or prior to the expiration of the applicable time period related to that representation and warranty set out in Section 4.4; and
- (b) any breach or non-performance by the Company of any covenant or other obligation to be performed by it contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement.

6.3 Indemnification by the Purchaser

Subject to this Article 6 and Section 4.5, the Purchaser will indemnify and save harmless the Shareholders and the Company from any and all Losses suffered or incurred by the Shareholders and the Company as a result of or arising directly or indirectly out of or in connection with:

- (a) any inaccuracy of or any breach by the Purchaser of any representation or warranty of the Purchaser contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement, including the representations and warranties of the Purchaser contained in Section 4.3, except that the Purchaser will not be required to indemnify or save harmless the Shareholders and the Company in respect of any inaccuracy or breach of any representation or warranty unless the indemnified party will have provided notice to the Purchaser in accordance with Section 6.5 on or prior to the expiration of the time period set out in Section 4.5; and
- (b) any breach or non-performance by the Purchaser of any covenant or other obligation to be performed by it contained in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement.

6.4 Obligation to Reimburse

A Party providing indemnification under this Agreement (the “**Indemnifying Party**”) will be obligated to

reimburse to a Party being indemnified under this Agreement (the “**Indemnified Party**”) the amount of any Losses suffered or incurred by the Indemnified Party, as of the date that the Indemnified Party incurs any such Losses, that payment being made without prejudice to the Indemnifying Party’s right to contest the basis of the Indemnified Party’s Claim for indemnification.

6.5 Notice of Claim

- (a) Promptly on becoming aware of any circumstances which have given or could give rise to a Claim of indemnification under this Article 6, the Party will notify the other Parties of those circumstances. That notice will specify whether the Losses arise as a result of a Claim by a Person against the Indemnified Party (a “**Third Party Claim**”) or whether the Losses do not so arise (a “**Direct Claim**”), and will also specify with reasonable particularity (to the extent the information is available) the factual basis for the Claim and the amount of the Losses, if known.
- (b) If, through the fault of the Indemnified Party, the Indemnifying Party does not receive notice of any Claim in time to contest effectively the determination of any liability susceptible of being contested, the Indemnifying Party will be entitled to set off against the amount claimed by the Indemnified Party the amount of any Losses incurred by the Indemnifying Party resulting from the Indemnified Party’s failure to give that notice on a timely basis.

6.6 Direct Claims

With respect to any Direct Claim, following receipt of notice from the Indemnified Party of the Direct Claim, the Indemnifying Party will have 60 calendar days to make such investigation of the Direct Claim as is considered necessary or desirable. For the purpose of that investigation, the Indemnified Party will make available to the Indemnifying Party the information relied on by the Indemnified Party to substantiate the Direct Claim, together with such information as the Indemnifying Party may reasonably request. If the Parties agree at or prior to the expiry of this 60 calendar day period (or agree to any extension of this period) to the validity and amount of that Direct Claim, the Indemnifying Party will immediately pay to the Indemnified Party the full amount as agreed to by the Parties of the Direct Claim. For clarity, the Indemnified Party will be deemed to have incurred or suffered Losses as of and from the Closing Date as a consequence of any reduction in the value of either the Purchased Shares (where the Indemnifying Party is a Shareholder or the Company) and the Consideration Shares (where the Indemnifying Party is The Purchaser) resulting from an inaccuracy or breach of any representation or warranty by the Indemnifying Party under this Agreement.

6.7 Third Party Claims

- (a) With respect to any Third Party Claim, the Indemnifying Party will be entitled (but not required), at its expense, to participate in or assume the conduct of the negotiations, settlement or defence of the Third Party Claim and, in that event, the Indemnifying Party will reimburse the Indemnified Party for all of the Indemnified Party’s reasonable out-of-pocket expenses incurred in connection with the negotiations, settlement or defence of the Third Party Claim prior to the Indemnifying Party’s assumption of the conduct of the negotiations, settlement or defence of the Third Party Claim.
- (b) If the Indemnifying Party elects to assume the conduct of the negotiations, settlement or defence of the Third Party Claim, the Indemnifying Party will be entitled to retain counsel on behalf of the Indemnified Party who is acceptable to the Indemnified Party, acting reasonably, to represent the Indemnified Party of that Third Party Claim. In any Third Party Claim for which the Indemnifying Party elects to assume that conduct, the Indemnified Party will have

the right to participate in the negotiation, settlement or defence of that Third Party Claim and to retain separate counsel to act on its behalf but the fees and disbursements of that counsel will be at the expense of the Indemnified Party unless:

- (i) the Indemnified Party determines, acting reasonably and on the written advice of external counsel, that actual or potential conflicts of interests exist which make representation chosen by the Indemnifying Party not advisable (such as where the named parties to that Third Party Claim include both the Indemnifying Party and the Indemnified Party, and the defences available to the Indemnified Party are different or in addition to those available to the Indemnifying Party); or
 - (ii) the Indemnifying Party has authorized the retention of that counsel.
- (c) If the Indemnifying Party, having elected to assume that conduct, thereafter fails to defend the Third Party Claim within a reasonable time, the Indemnified Party will be entitled to assume that conduct, and the Indemnifying Party will be bound by the results obtained by the Indemnified Party with respect to that Third Party Claim. If any Third Party Claim is of a nature such that the Indemnified Party is required by Applicable Law to make a payment to any Person (a “**Third Party**”) with respect to the Third Party Claim before the completion of settlement negotiations or related legal proceedings, the Indemnified Party will provide prior written notice of that payment to the Indemnifying Party and thereafter may make that payment and the Indemnifying Party will, forthwith after demand by the Indemnified Party, reimburse the Indemnified Party for that payment. If the amount of any liability of the Indemnified Party under the Third Party Claim in respect of which that payment was made, as finally determined, is less than the amount that was paid by the Indemnifying Party to the Indemnified Party, the Indemnified Party will, forthwith after receipt of the difference from the Third Party, pay the amount of that difference to the Indemnifying Party.

6.8 Settlement of Third Party Claims

- (a) If the Indemnifying Party undertakes the defence of the Third Party Claim, the Indemnifying Party will not be bound by any determination of the Third Party Claim or any compromise or settlement of the Third Party Claim effected without the consent of the Indemnifying Party (which consent may not be unreasonably withheld or delayed).
- (b) Whether or not the Indemnifying Party assumes conduct of the negotiation, settlement or defence of any Third Party Claim, the Indemnifying Party will not settle any Third Party Claim without the written consent of the Indemnified Party, which consent cannot be unreasonably withheld or delayed, except that the liability of the Indemnifying Party will be limited to the proposed amount if any such consent, which cannot be unreasonably withheld or delayed, is not obtained and the Indemnified Party will indemnify and save harmless the Indemnifying Party from and against any Losses resulting from or arising out of the failure of the Indemnified Party to consent to that settlement.

6.9 Co-Operation

The Indemnified Party and the Indemnifying Party will co-operate fully with each other with respect to Third Party Claims, and will keep each other fully advised with respect to that Third Party Claim (including supplying copies of all relevant documentation promptly as it becomes available). Where the defence of a Third Party Claim is being undertaken and conducted by the Indemnifying Party, the Indemnified Party will use all reasonable efforts to make available to the Indemnifying Party, at the request and expense of the Indemnifying Party, those employees of the Indemnified Party whose assistance, testimony or presence

is reasonably necessary to assist the Indemnifying Party in evaluating and defending that Third Party Claim.

6.10 Gross-up

- (a) If an amount paid or payable pursuant this Article 6 is subject to Tax, whether by deduction from or withholding from such amount or upon receipt of or entitlement to receipt of such amount, after taking into account any offsetting deduction or tax credit available in respect of the applicable Losses, then the amount payable by the Indemnifying Party will be increased by an amount (the “**Increased Amount**”) such that the Indemnified Party will be in the same position after paying Tax on the amount paid or payable or after such withholding has occurred, including any Taxes payable on the Increased Amount, as the Indemnified Party would have been in had the Losses giving rise to such payment not arisen and had such amount not been payable.
- (b) The recipient or expected recipient of a payment under this Article 6 will claim from the appropriate Tax authority any exemption, rate reduction, refund, credit or similar benefit (including pursuant to any relevant double tax treaty) to which it is entitled in respect of any deduction or withholding in respect of which a payment has been or would otherwise be required to be made pursuant to Section 6.10(a) and, for such purposes will, within any applicable time limits, submit any claims, notices, returns or applications and send a copy of them to the Indemnifying Party.
- (c) If the Indemnified Party receives a refund of any Tax payable by it then it will reimburse the Indemnifying Party such part of such Increased Amount paid to it pursuant to Section 6.10(a) as the Indemnified Party certifies to the Indemnifying Party will leave it (after such reimbursement) in no better and no worse position that it would have been if the Indemnifying Party had not been required to make such deduction or withholding or the Indemnified Party had not suffered Tax on receipt of such amount.

6.11 Exclusivity

Unless otherwise provided in this Agreement, the provisions of this Article 6 will apply to any Claim for breach of covenants, representation, warranty or other obligation or provision of this Agreement or any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement (other than a Claim for specific performance or injunctive relief) and to any and all other indemnities provided in this Agreement or in any Contract, agreement, instrument, certificate or other document delivered pursuant to this Agreement with the intent that unless otherwise provided all such Claims and indemnities will be brought only in accordance with the specific provisions of this Article 6.

6.12 General Indemnification Rules

The obligations of an Indemnifying Party to indemnify an Indemnified Party in respect of Claims shall also be subject to the following:

- (a) without limiting the generality of Sections 6.1, 6.2 and 6.3, any Claim for breach of any representation, warranty or covenant shall be subject to Section 4.4 and 4.5;
- (b) the Indemnifying Party’s obligation to indemnify the Indemnified Party shall only apply to the extent that the Claims in respect of which the Indemnifying Party has given an indemnity, in the aggregate, exceed \$20,000;
- (c) notwithstanding anything to the contrary in this Agreement, the aggregate liability of a Shareholder under this Agreement shall be limited to 50% of the value of the Consideration

Shares received by such Shareholder on a pro-rata basis, it being understood that for such purpose the value assigned to each Consideration Share will be the deemed price per Consideration Share determined in accordance with Section 2.2;

- (d) a Shareholder who is an Indemnifying Party may, at its option, elect to satisfy any Claim for which it is determined to be liable by either (i) payment of the amount of such Claim in cash, or (ii) by transferring to the Purchaser for cancellation such number of Consideration Shares owned by such Shareholder as is equal to the value of such Claim, it being understood that for such purpose the value assigned to each Consideration Share will be the deemed price per Consideration Share determined in accordance with Section 2.2. For greater certainty, if such Shareholder elects to satisfy such Claim by transferring Consideration Shares to the Purchaser for cancellation, the Purchaser shall have no recourse whatsoever to any other property, assets, rights or interests of such Shareholder for the purpose of satisfying such Claim; and
- (e) in no event shall any Indemnifying Party be liable to any Indemnified Party for any exemplary, punitive, incidental, consequential, special or indirect damages, including loss of future revenue, income or profit, loss of business reputation or opportunity relating to the breach or alleged breach of this Agreement, or diminution of value or any Claim based on any type of multiple (including, without limitation, multiple of earnings or multiple of cash flow methodologies).

ARTICLE 7 - GENERAL

7.1 Confidentiality of Information

- (a) For the purposes of this Section 7.1, “**Confidential Information**” of a Party at any time means all information relating to that Party which at the time is of a confidential nature (whether or not specifically identified as confidential), and has been or is from time to time made known to or is otherwise learned by the relevant other Party or any of its Representatives as a result of the matters provided for in this Agreement, and includes:
 - (i) the terms of this Agreement and of any other Contract, agreement, instrument, certificate or other document to be entered into as contemplated by this Agreement;
 - (ii) a Party’s business records;
 - (iii) all information regarding a Party’s business operations; and
 - (iv) all trade secrets or confidential or proprietary information of the Parties.
- (b) Notwithstanding the foregoing, Confidential Information does not include any information that at the time has become generally available to the public other than as a result of a disclosure by the other Party or any of its Representatives, any information that was available to the other Party or its Representatives on a non-confidential basis before the date of this Agreement or any information that becomes available to the other Party or its Representatives on a non-confidential basis from a Person (other than the Party to which the information relates or any of its Representatives) who is not, to the knowledge of the other Party or its Representatives, otherwise bound by confidentiality obligations to the Party to which the information relates in respect of the information or otherwise prohibited from transmitting the information to the other Party or its Representatives.
- (c) Each Party will (and will cause each of its Representatives to) hold in strictest confidence and

not use in any manner, other than as expressly contemplated by this Agreement, all Confidential Information of the other Parties.

- (d) Subject to Section 7.2, Section 7.1(c) will not apply to the disclosure of any Confidential Information where that disclosure is made to its Representatives or made pursuant to the Party's duties as an officer, director, or employee of a Party, or is required by Applicable Law. In the case of disclosure required by Applicable Law, the Party required to disclose (or whose Representative is required to disclose) will, as soon as possible in the circumstances, notify the other Parties of the requirement of the disclosure including the nature and extent of the disclosure and the provision of Applicable Law pursuant to which the disclosure is required. To the extent possible, the Party required to make the disclosure will, before doing so, provide to the other Parties the text of any disclosure. On receiving the notification, the other Parties may take any reasonable action to challenge the requirement, and the affected Party will (or will cause the applicable Representative to), at the expense of the other Parties, assist the other Parties in taking that reasonable action.

7.2 Public Announcements

- (a) No Shareholder will make any further public statement or issue any further press release concerning this Agreement or the Transaction except as agreed by the Parties acting reasonably or as may be necessary, in the opinion of counsel to the Shareholder making that disclosure, to comply with the requirements of all Applicable Law.
- (b) Neither the Company nor the Purchaser will make any further public statement or issue any further press release concerning this Agreement or the Transaction except as agreed by the other Party acting reasonably or as may be necessary, in the opinion of counsel to the Party making that disclosure, to comply with the requirements of all Applicable Law. If any public statement or release is so required, the Party making the disclosure will consult with the other Party before making that statement or release, and the Company and the Purchaser will use all reasonable efforts, acting in good faith, to agree on a text for the statement or release that is satisfactory to them and for such statement or release to be made in a timely manner.

7.3 Expenses

Each Party will pay all expenses (including Taxes imposed on those expenses) it incurs in the authorization, negotiation, preparation, execution and performance of this Agreement and the Transaction, including all fees and expenses of its legal counsel, accountants or other representatives or consultants.

7.4 No Third Party Beneficiary

This Agreement is solely for the benefit of the Parties and no third parties will accrue any benefit, Claim or right of any kind pursuant to, under, by or through this Agreement.

7.5 Entire Agreement

This Agreement, together with the other agreements or documents to be entered into as contemplated by this Agreement or respecting the Transaction, constitute the entire agreement among the Parties pertaining to the subject matter of this Agreement and supersede all prior correspondence, agreements, negotiations, discussions and understandings, written or oral. Except as specifically set out in this Agreement, there are no representations, warranties, conditions or other agreements or acknowledgements, whether direct or collateral, express or implied, written or oral, statutory or otherwise, that form part of or affect this Agreement or which induced any Party to enter into this Agreement. No reliance is placed on any representation, warranty, opinion, advice or assertion of fact made either prior to, concurrently with, or

after entering into, this Agreement, or any amendment or supplement thereto, by any Party to this Agreement or its Representatives, to any other Party or its Representatives, except to the extent the representation, warranty, opinion, advice or assertion of fact has been reduced to writing and included as a term in this Agreement, and none of the Parties to this Agreement has been induced to enter into this Agreement or any amendment or supplement by reason of any such representation, warranty, opinion, advice or assertion of fact. There will be no liability, either in tort or in contract, assessed in relation to the representation, warranty, opinion, advice or assertion of fact, except as contemplated in this Section.

7.6 Non-Merger

Except as otherwise provided in this Agreement, the covenants, representations and warranties set out in this Agreement do not merge but survive Closing and, notwithstanding such Closing or any investigation by or on behalf of a Party, continue in full force and effect. Closing does not prejudice any right of one Party against another Party in respect of any remedy in connection with anything done or omitted to be done under this Agreement.

7.7 Time of Essence

Time is of the essence of this Agreement.

7.8 Amendment

No amendment, addition, deletion or other modification to this Agreement will be effective unless in writing and signed by each Party.

7.9 Waiver of Rights

Any waiver or consent will be effective only in the instance and for the purpose for which it is given. A failure to enforce any breach of this Agreement by any Party does not constitute a waiver of such breach or any provision of this Agreement by such Party.

7.10 Severability

Any provision of this Agreement that is or becomes unenforceable will be unenforceable to the extent of such unenforceability without invalidating the remaining provisions hereof. To the extent permitted by Applicable Law, each of the Parties hereby waives any provision of law that renders any provision hereof unenforceable in any respect.

7.11 Governing Law

This Agreement will be governed by and construed in accordance with the laws of the Province of British Columbia, and the federal laws of Canada applicable therein, and each Party irrevocably attorns to the courts of the Province of British Columbia, which jurisdiction will be the sole and exclusive jurisdiction for any disputes or claims in relation to this Agreement and all matters related hereto.

Notices sent to an e-mail address will be deemed to be received upon the sender's receipt of an automatic or other written acknowledgement from the intended recipient.
