

Kingfisher Announces Update to Operations at HWY 37 Project and Private Placement

NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR DISEMINATION IN THE UNITED STATES

VANCOUVER, British Columbia – July 17, 2023 – Kingfisher Metals Corp. (TSX-V: KFR) (FSE: 970) (OTCQB: KGFMF) (“**Kingfisher**” or the “**Company**”) announces that, further to its news release dated May 15, 2023, it has received an extension from the TSX Venture Exchange (“**TSX-V**”) to close its non-brokered private placement of charity flow-through units (the “**Charity FT Units**”) at a price of \$0.12 per Charity FT Unit and flow-through units (the “**FT Units**” and, collectively with the Charity FT Units, the “**Offered Units**”) at a price of \$0.10 per FT Unit for aggregate gross proceeds of up to \$3.0 million (the “**Offering**”).

The Offering is expected to close on or about August 3, 2023, and is subject to the receipt of all necessary regulatory and other approvals, including, but not limited to, acceptance of the TSX-V. All terms of the Offering remain the same.

Field crews have mobilized to the HWY 37 Project area and have commenced preparations for camp and drill pad construction for the proposed ~2,500 m diamond drill program, which is expected to start after closing of the Offering.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”) or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Kingfisher Metals Corp.

Kingfisher Metals Corp. (<https://kingfishermetals.com/>) is a Canadian based exploration company focused on underexplored district-scale projects in British Columbia, including the Golden Triangle region. Kingfisher has three 100% owned district-scale projects and an option to earn 100% of the HWY 37 Project, that offer potential exposure to gold, copper, silver, and zinc. The Company currently has 106,628,701 shares outstanding.

Cautionary Note Regarding Forward-Looking Statements

This news release contains statements that constitute “forward-looking statements.” Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements, or developments to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking

statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects,” “plans,” “anticipates,” “believes,” “intends,” “estimates,” “projects,” “potential” and similar expressions, or that events or conditions “will,” “would,” “may,” “could” or “should” occur.

Forward-looking statements in this news release include, among others, statements relating to expectations regarding the expected closing date of the Offering, and other statements that are not historical facts. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors and risks include, among others: the Company may require additional financing from time to time in order to continue its operations which may not be available when needed or on acceptable terms and conditions acceptable; compliance with extensive government regulation; domestic and foreign laws and regulations could adversely affect the Company's business and results of operations; the stock markets have experienced volatility that often has been unrelated to the performance of companies and these fluctuations may adversely affect the price of the Company's securities, regardless of its operating performance.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, is subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. The Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
